Office: 480-484-6500

CHAPTS will host two special presentations at its Monday, December 5 Meeting:

Peggy Murray, Chaparral's College & Career Coordinator, will guide us through NAVIANCE and answer questions.

Gwen Parker and Kim Hartmann, our own Chaparral parents who are spearheading the drive to double SCHOOL TAX CREDIT receipts across the entire district, will make a presentation on the great benefits to be gained from school tax credit contributions and how these contributions may help in reducing classroom sizes.

Please join us on Monday night at Chaparral in J-600. Hospitality starts at 6:30pm (the Culinary II students provide the cookies) and the meeting starts at 7pm.
