As the parent or legal guardian of the above graduating senior at Chaparral High School, I give my permission for my son/daughter to attend Project Graduation 2012 at Octane Raceway.

I have read the portion of this form signed by my student and agree to be available by phone if my son/daughter needs to call home and be picked up. If at any time my child should leave the party site unaccompanied by a Project Graduation Committee member, I will not hold the Committee and/or CHAPTS responsible for his/her safety.

I understand that Octane Raceway will not allow personal backpacks in the facility. I understand that my student should leave any backpacks or large items with me after graduation and before checking in for Project Grad. Any small purses or other personal items taken to the facility must fit in a one gallon plastic bag and will be stored in the baggage area under adult supervision.
